SUBJECT

Station Construction Report for September 1966

ACTION REQUIRED - REFERENCES

The attached report covers the month of September 1966. Number of construction projects are increasing since approval of improved plans for standard items. One new standard plan approved for [REDACTED] and contract being prepared for six units [REDACTED] Province. Monsoon rains continue to delay construction in some areas. Flooding in delta area not serious threat to existing construction but delaying transportation of men and materials.
